

Premier SDXC/SDHC UHS-I CL10 V10

BOUND INTO BETTER SHOTS – THE BEST CHOICE FOR DIGITAL CAMERA UPGRADES

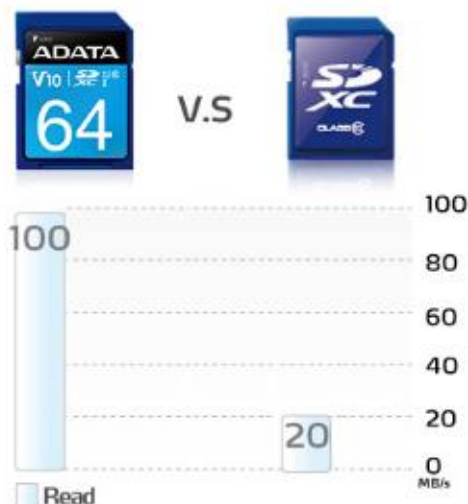

Premier SDXC/SDHC UHS-I Memory Card

The Premier SDXC/SDHC UHS-I Class 10 memory cards are suitable for digital camera users. They are compliant with SD 3.0 specification (Ultra High Speed 1, UHS-I), and backwards compatible with SD 2.0 specification devices. They are available in 16GB, 32GB and 64GB, and provide high read speed up to 100MB/s. Being V10 (Video Speed Class) qualified, they can record up to 10MB of video per second. In addition, the Premier series memory cards are backed by solid multi-point protection, allowing photography professionals to capture every impressive moment with higher reliability and durability.

Supports UHS-I for faster data transfer

The Premier Series SDHC class 10 memory cards are the best choice for users who want to upgrade to the UHS-I Class 10 specification, with price points comparable to older class 10 cards. For the same price 64GB card, you can enjoy the SD 3.0 specification, with read/write speeds of up to 100/25MB/s, and random read and write IOPS are 1300 and 100.

Full protection for high durability

Data stored on Premier card benefits from added protective features, including: X-ray proof construction, resistance to extreme temperatures, error correcting code (ECC) and write-switch protection functions.

Large Storage Capacity

The Premier SDXC UHS-I Class 10 memory cards have been launched in a higher 64GB capacity, eliminating the need to spend time replacing the card during photo shoots. Using the equipment required by professional photographers, you can feel at ease and not worry about blank spots, noise, or the need to shoot at a lower resolution. The Premier SDXC/SDHC series cards are available in capacities of 16, 32 and 64GB.

Ordering Information

Capacity	Model Number	EAN Code
16GB	ASDH16GUICL10-R	4713435796696
32GB	ASDH32GUICL10-R	4713435796702
64GB	ASDX64GUICL10-R	4713435793961

Features

- Complies with UHS-I Speed Class 3 performance for DSLR, Full HD Camcorders and digital cameras
- V10 video speed class: can record a minimum 10MB of video per second
- Write-in protection & ECC (Error Correcting Code)
- Rugged durability: waterproof, shockproof, anti-static, X-ray proof, and wide temperature support (-25°C to 85°C)

Specifications

- Capacity: 16GB / 32GB / 64GB
- Standard: SD 3.0
- R/W performance: up to 100/25MB/s
- Speed Class: UHS-I Class 10 / V10
- Dimensions (L x W x H): 24 x 32 x 2.1mm
- Weight: 2g
- Warranty: Lifetime
