

Logitech®

Illuminated Keyboard

Illuminates your typing experience

- **Bright, laser-etched, backlit keys**
- **Ultra-thin, 9.3 mm profile**
- **PerfectStroke™ key system**
- **Sleek, minimalist design**
- **Soft-touch palm rest, full-size key layout**

Illuminate your typing experience – night or day – with the Logitech® Illuminated Keyboard. Bright, laser-etched, backlit keys let you type easily, even in the dark. The ultra-thin, 9.3 mm profile provides a cutting-edge design that adds an elegant touch to any desk. The PerfectStroke™ key system, with its precision micro-scissors, helps make every stroke comfortable, fluid and silent by giving you more key travel than typical notebooks keyboards.

With its sleek, minimalist design, the Logitech Illuminated Keyboard delivers the ideal combination of form and function. And the soft-touch palm rest and full-size key layout help you type comfortably – even after extended use.

SYSTEM REQUIREMENTS

- PC with Windows® XP, Windows Vista®
- CD-ROM, DVD drive or Internet connection
- 1 available USB port

Logitech® Illuminated Keyboard
