

## Black Micro USB to Apple® 8-pin Lightning Connector Adapter for iPhone / iPod / iPad

StarTech ID: **USBUBLTB**

The USBUBLTB Lightning to Micro USB dongle for iPhone®, iPod®, iPad® is colored to suit black mobile devices and provides a reliable solution for charging and syncing your Apple® mobile digital devices using a Micro USB cable.

The dongle offers approximately 4-inches in cable length, which lessens strain on the connector port and prevents damage to the cable, while also reducing the potential of blocking other nearby ports.

The reversible 8-pin Lightning connector can be plugged into your iOS-enabled device with either side facing up, meaning there is no wrong way of inserting the cable into the device.

This durable adapter is compliant with Apple MFi Standards and is backed StarTech.com's 2-year Warranty to ensure dependable performance.

### Applications

- Charge and Sync Lightning-equipped Apple mobile digital devices (iPhone 5, iPod touch® 5th generation, iPod nano® 7th generation, iPad 4th generation, iPad® mini) using a Micro USB cable
