

Xerox® DocuMate® 4830

Versatile Scanning Solution for Large Documents

- 50 ppm in simplex and 100 ipm in duplex
- Scan large documents via the A3 flatbed or through the ADF
- Ultrasonic Double Feed Detection
- One Touch scanning to any of 9 destination at the touch of a button
- Convert documents into searchable PDF files
- Automatic Image Enhancement tools without the need of user intervention

*300 dpi b/w & greyscale

Be More Productive

The Xerox® DocuMate® 4830 is an effective way to index stacks of large-sized documents and import them to a content management solution in a single step. The DocuMate 4830 is an affordable, entry-level A3 scanner that offers outstanding performance and exceptional reliability for corporate work-groups/departments and small or medium-sized businesses.

The DocuMate 4830 has a friendly interface that allows the user to simply insert their document and press one of the buttons on the front panel of the scanner to initiate scanning and automatically email, print, convert or share the file. The buttons are preset at the optimal resolution, colour depth, file format and paper size for common scanning tasks, but of course can be easily changed at any time.

Ultrasonic Double Feed Detection is built into the DocuMate 4830 so you'll never miss a page due to a misfeed or a stapled document going through the scanner.

Ideal for document management, the DocuMate 4830 includes software tools to edit, crop and retouch scanned images and organise the files into folders. With the touch of a button, users are able to scan and automatically upload their documents to popular cloud destinations such as Google Docs™, Evernote®, Dropbox.net and others.

Secure and Reliable

Documents are the substance of communication, reference, negotiation and execution of contracts, law and evidence. Fast reliable and cost effective document imaging solutions like the DocuMate 4830 provide almost immediate return on investment when implemented as part of a secure document capture solution.

Regulatory compliance requirements have dramatically increased the need for companies to implement secure and reliable records management. And document capture solutions have become essential to meet the everyday document imaging needs of paper intensive offices.

Businesses in the healthcare, transportation, and industrial manufacturing markets, as well as law firms, courts, clients and administrators who handle and manage substantial quantities of paper will immediately appreciate the DocuMate 4830's functionality, speed and low cost.

Fast, reliable and cost-effective, the DocuMate 4830 will provide an almost immediate return on investment. It might even happen before you realise that your entire office is organised.

Xerox® DocuMate® 4830

Visioneer®

OneTouch

OneTouch is an easy-to-use utility that connects the DocuMate scanner with a powerful set of scan settings to greatly improve the efficiency of your workflow — so that with one touch the document is scanned automatically to email, Microsoft® Word, your printer, a file folder, or to one of many other destinations.

Acuity

Acuity enables your scanner to instantly improve the visual clarity of every document that you scan. Using advanced algorithms and dynamic thresholding, Acuity will intelligently correct documents containing imperfections, improve quality of scanned images for archiving, increase OCR accuracy, and save time.

DriverPLUS

DriverPLUS is a new generation of driver technology that is based on the TWAIN™ 2.3 specification, which provides advanced features and greater reliability for both users and system integrators. DriverPLUS combines the

features of advanced 32- and 64-bit native Windows®-based TWAIN and WIA drivers, plus new Acuity optimisation software and a sophisticated user interface.

Nuance®

PDF Converter

Nuance PDF Converter is the smarter PDF software choice for businesses. Combining powerful functionality, superior Microsoft Office® support, built-in intelligence, DMS integration, and intuitive ease of use, Nuance PDF Converter provides everything you need to create, convert, edit, assemble, and securely share PDF files for increased productivity, enhanced collaboration, and improved compliance.

OmniPage® Pro

Nuance OmniPage® provides a precise OCR and advanced layout detection with Logical Form Recognition™ (LFR) technology. Scanned documents are transformed into editable, formatted text which can then be used in virtually any word processing, desktop publishing or web publishing program.

Office Gemini

Dokmee Capture

Dokmee Capture high production scanning software provides all the features required for document capture, processing and reporting. It allows businesses both large and small to easily convert their scanned documents into digital files, capture images and data contained in them, and then transform it into organised searchable information. This mission-critical business information is then placed into a centralised location to be easily searched, stored and retrieved when needed. Dokmee Capture is the perfect answer for companies in any industry needing to catch up on a backlog of converting paper files to electronic images.

DocuMate 4830 Product Specifications	
Xerox® Part No.	100N02872
Scan Speed	– 50 ppm simplex / 100 ipm duplex landscape @ 200 and 300 dpi b/w & grayscale – 30 ppm simplex / 60 ipm duplex landscape @ 200 and 300 dpi colour
Scan Method	Fast Duplex ADF and Flatbed
Optical Resolution	600 dpi
Imaging Sensor	4-channel CIS (Contact Image Sensor)
Light Source	LED (light emitting diode), instant on
Background Colour	ADF: Grey Flatbed: Black
Output Bit Depth	24-bit colour, 8-bit greyscale, 1-bit B&W
Interface	Hi-Speed USB 2.0 (USB 1.1 compatible)
Dimensions (w x d x h)	582 x 498 x 193 mm (22.9" x 19.6" x 7.6")
Weight	12 Kg (26.4 lbs)
ADF Maximum Document Size	297 x 2997 mm (11.7" x 118")
ADF Minimum Document Size	102 x 105 mm (4" x 4.13")
Flatbed Maximum Size	297 x 420 mm (11.7" x 16.5")
Paper thickness	53 – 105 g/m ²
ADF Capacity	75 sheets (75-80 g/m ² / 20.lb paper)
Duty Cycle	3,000 pages/day

Minimum System Requirements

- Pentium® IV equivalent processor
- Windows 8 / Vista® / XP®
- 2GB RAM
- 350 MB available hard drive space
- DVD-ROM drive
- USB 2.0 port

Contents

- DocuMate 4830 Scanner
- Power Supply
- USB 2.0 Cable
- Quick Install Card
- Technical Support Card
- User Manual
- DVD-ROM including:
 - User Manual
 - Nuance OmniPage Pro
 - Nuance PDF Converter Pro
 - Visioneer OneTouch
 - Visioneer Acuity
 - Office Gemini Dokmee Capture*
 - Scanner Drivers: TWAIN™, ISIS®, WIA

* Dokmee Capture is not supported on Microsoft Windows XP.
