VXi UC ProSet LUX™ Headset

PRODUCT BRIEF

More productive calls. Fewer interruptions.

Designed specifically for Unified Communications, the plug-and-play UC ProSet LUX™ gives you excellent sound quality—and the industry's best noise canceling—across devices and media types. And the UC ProSet LUX is the only headset with an LED presence indicator built into the microphone boom. It visually notifies others if you're available, on a call or not to be disturbed.

Benefits

- Be heard clearly with the industry's best noise canceling—guaranteed.
- Enjoy clear conversations and natural-sounding audio.
- Minimize unwanted interruptions with LED UC status indicator.
- Easily interface with popular UC systems and softphones via USB.
- Wear comfortably all day, every day.
- Control volume, mute and on/off hook with inline fob.

Minimize interruptions and maximize productivity with the UC ProSet LUX.

VXi UC ProSet LUX™ Headset
