PC-free printing — easy photo printing with built-in USB and memory card slots[7]

Premium Small-in-One — ultra powerful performance, ultra slim, space-saving design

BUILT TO PERFORM™

Pro-quality photos and easy wireless printing[4] from a fast, ultra slim all-in-one.

Print stunning, professional-quality photos with the Expression Photo XP-860 Small-in-One printer. Featuring a space-saving design, the XP-860 produces borderless photos up to 8" x 10" with 6-color Claria Photo HD Inks for smooth gradations and amazing skin tones. Breeze through everyday tasks with a 4.3" color touchscreen, 30-page Auto Document Feeder, and auto 2-sided printing, copying, scanning and faxing. It also prints 4" x 6" photos in as fast as 10 seconds[1]. The rear feed accommodates specialty media[2], and there are dedicated photo and CD/DVD trays — plus, this all-in-one scans to Facebook[5]. And, wireless connectivity[4] supports easy printing from tablets and smartphones[3].

Professional-quality, true-to-life color

Six-color Claria Photo HD dye-based ink delivers an extensive color gamut for high-contrast shots and smooth, natural skin tones for superior photos that last up to 200 years[8]. Replace only the color you need with individual ink cartridges, available in standard-capacity or high-capacity. Plus, you can save up to 10 percent with color multi-packs[9].

Ultra powerful performance, ultra slim design

The Expression Photo XP-860 offers the best of both worlds: powerful performance and a sleek, compact design. You get all the tools you need for photos, documents and more, while saving valuable space on your desk. This versatile Small-in-One printer is the perfect fit for any space in your home.

Save time with auto 2-sided print, copy, scan, color fax

Quickly scan or fax stacks of 2-sided originals at one time with the 30-page duplex Auto Document Feeder. You can even scan to email. This printer handles it all, plus 2-sided printing and copying.

30-page duplex Auto Document Feeder

The ultimate in wireless[4] and network printing.

Simple wireless connectivity[4]

Connect to your wireless network in a snap — the popular wireless standard, 802.11n, is supported. Your printer also includes Wi-Fi Direct[4], which means no router is required. And, you can connect up to four devices at once.

Wired networking

Built-in Ethernet makes sharing the printer on your network quick and easy.

Easy to print.

Dedicated photo tray

Easy menu navigation

Productivity anytime, anywhere[3]

Easily print from your tablet or smartphone using Epson Connect™[3]. Supports Android™, Apple® iPad and iPhone, Chromebook™, Kindle Fire™, Mac® and Windows® devices. Wirelessly print documents, photos, emails and web pages whether at home or on the go. You can also scan documents and save them to the cloud[5] for easy access and collaboration.

Print from your iPad or iPhone

Apple® AirPrint™ makes it simple to print photos, emails, web pages and documents straight from your iPad or iPhone. There's no software to download, no drivers to install and no cables to connect. Your Apple® iOS® device will automatically connect to the printer.

Innovative features for easy, hassle-free printing

Your printer is always ready for any task thanks to its dedicated photo tray — there's no need to switch to photo paper. And, there's an innovative, auto-extend/retract output tray. Just click "Print" and the paper tray comes out on its own. There's no need to pull it out every time you print.

Intuitive 4.3" LCD with gesture navigation

Navigating the printer menu is easier than ever with an intuitive 4.3" color touchscreen — a simple finger swipe is all it takes. Preview, edit and print photos — all without your computer — using the built-in memory card slots[7]. It's all right at your fingertips.

Easy to share.

Make special occasions more memorable

Share your Google® content

Print on the go from a smartphone or tablet using Google Cloud Print™ with your Gmail™ or Google Drive™ account. Plus, print from your Chromebook and Google Chrome™ without installing drivers or connecting cables. It's now even easier to share your Google content from anywhere.

Creative projects made easy

Create elegant note paper or invitations in a snap — whatever you need to make special occasions even more memorable. Use the rear paper feed for specialty paper[2] such as card stock, envelopes, labels and more. Or, create customized CDs/DVDs with direct CD/DVD printing.

Scan and share instantly

Share special moments instantly. Dig those photos out of your shoeboxes and scan them to Facebook quickly and easily[5]. Or, scan important documents and send them to popular cloud services[5]. Just install the included software on your PC and you're ready to get started.

Worry-free handling

Get professional-quality photos that are smudge, scratch, water and fade resistant[6]. Share photos or archive important documents right after printing.
