Whether you need a security stand for display, point of sale or personal use CTA Digital's Anti-Theft Security Kiosk Stand for iPad and iPad Air will provide the features you need. This stand is made of strong and stylish aluminum with the perfect design to serve as a workstation, kiosk display or retail POS iPad stand. The cast aluminum enclosure is made to fit the iPad 2nd-4th generation with openings for cameras and connections and is also compatible with iPad Air and iPad Air 2. The case can tilt to easily adjust the viewing angle and rotate for horizontal or vertical views. The anti-theft case enclosure is securely locked closed and can be easily accessed with the included keys. The large base and solid stand offer stability and can also be secured to a desk or countertop through predrilled holes for easy installation and extra security. An elegant stylus is included and can be conveniently stored in the built-in holder found on the base. A set of clear protective sleeves is also included for use around restaurants or kitchens to keep the iPad touchscreen clean and dry. The case and bottom of the base are also padded to help protect your device and furniture. Find the balance between security and convenience for office, retail, display or any use with CTA's Anti-Theft Security Kiosk Stand for iPad & iPad Air.
