

THE SIGHTS & SOUNDS
OF EDUCATION

Powered Whiteboard Array Speaker

Model PI31-PS

This powered array speaker enhances presentations with superior sound. Array speaker technology focuses the sound pattern more directly at the audience with a narrower dispersion angle. This makes for a clearer and more evenly balanced message by not bouncing its sound off walls, so it doesn't contribute to existing ambient noise levels. Single 3.5mm input enables connecting audio from smartphones. Fixed & variable line-outs for adding speakers and other connected capabilities.

1. Protective steel grille
2. Three x 3" transducers
3. Rugged steel bracket
4. Tone control
5. DC input
6. Fixed and variable line-outs allows unit to function as master volume control for other daisy-chained speakers
7. Single 3.5mm or dual RCA line in connects audio from smartphones & other devices
8. 1/4" mic input

- * Delivers superior audio enhancement for up to 300 people from smartphones, projectors, computers, media players & other devices
- * Designed for installation in classroom and meeting facilities

"Project Intercept"

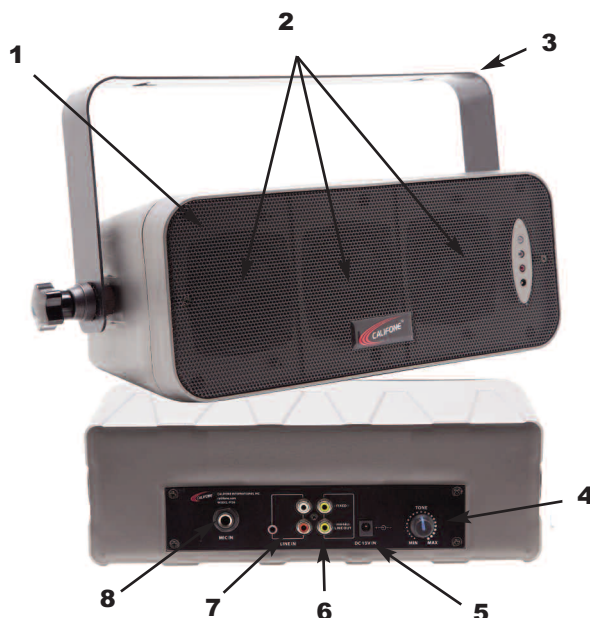

Please contact us immediately if you experience any difficulties with your PI31-PS speaker. Our "Project Intercept" customer service program will quickly repair or replace items under warranty. Simply contact us via phone or email warranty@califone.com

Visit our website to register your product and to learn more about the complete line of *Califone*® audio enhancing and visual technology products including: Wired and Wireless public address systems, wireless microphones, headphones & headsets, group listening centers, multimedia players and computer peripheral products.

We are proud of helping teachers enhance student understanding and achievements since 1947, with your satisfaction as our first priority.

The PI31-PS has a limited six-year warranty and service support available through authorized dealers nationwide. Its warranty covers school use - unlike some other PA products whose warranties would be voided if used in schools.
