

# Trados

Goes Great with Work.®

The **Trados** collection features a striking triarc arm design and solid frame. Steel cross brace construction provides 350 lb. capacity. Bariatric seating also includes steel cross braces in the back and offers a standard weight capacity of 500 lb. with 750 lb. and 1,000 lb. options. All seating units, corner and connecting tables can be ganged in a virtually unlimited number of combinations.
