

Mini HDMI to DVI-D adapter M/F - 8in

StarTech ID: [HDCDVIMF8IN](#)

Need to connect your Mini HDMI® equipped laptop or tablet to a DVI-D digital display? This 8in Mini HDMI to DVI adapter provides the perfect solution.

High-resolution 1920x1200 video support

Connect your Mini HDMI capable laptop or tablet to a DVI digital monitor, TV or projector, and share your presentations, pictures and videos. Simply plug in any one of our male-to-male DVI-D cables, such as our [3ft DVI-D single-link cable](#) (DVIMM3) into the adapter and connect the adapter to your device.

Perfect for use in a boardroom, your home office or when travelling for work, you can be ready to connect wherever you are.

Need a way to incorporate audio into your presentation? You can use our [1m 3.5mm audio cable](#) (MU3MMS).

8-inch cable reduces port damage

Reduce stress and prevent damage on the device port. The 8-inch cable design reduces the strain on the port as well as the connectors, plus it doesn't block other open ports, leaving them open for connecting other devices.

Compact and lightweight design

The adapter fits nicely inside your laptop bag, purse, backpack or other carrying case, making it the perfect mobile accessory to keep in your carry-on baggage. Arrive prepared when presenting to a potential client, teaching offsite, or travelling to a customer location.

The [HDCDVIMF8IN](#) Mini HDMI to DVI adapter is backed by StarTech.com's lifetime warranty.
