

The VisionTek HDMI / HDMI 3 foot Pivot Cable enables you to connect your HDMI-equipped source devices such as laptop, desktop, Blu-Ray, Xbox One, PS4, Roku, DVD and Set Top Box to your HDMI-equipped HDTV, display, monitor or projector. The 3 foot cable allows ample length so you can configure your desk or presentation display however you want.

The HDMI / HDMI cable is fully compatible with all HDTV formats, supporting resolutions at 800 x 600, 1024 x 780, 1280 x 1024, 1600 x 1200, 1920 x 1200, 1080p (Full HD), and 4K (Ultra HD).

The 180° Pivot Cable is designed for Ultra Low-Profile Connections for connecting HDMI cables behind components and wall mounted flatscreens. Instead of severely bending cables, which can limit use life and/or cause an unreliable signal, the VisionTek 3 foot Pivot Cable adapts to the angle of the needed connection for easy installation.

VisionTek Display cables offer a quick solution for your display needs. Our cables work across all operating systems including OS X, Linux and Windows XP, Windows 7, Windows 8, and Windows 10. Where necessary, our cables are active for expanded compatibility with multi monitor displays, docks, and digital signage. AMD Eyefinity is also supported with our cables. Each VisionTek cable has been extensively tested with HP, Dell, Lenovo and Mac systems to ensure a wide range of system compatibility.
