A-I. Snap Desk

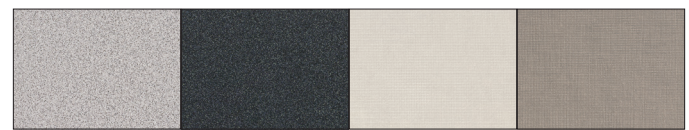

- The Snap Desk offers durability and custom options made to fit any classroom setting. Quick assembly and sturdy construction ensure that these desks will last through one educational career to the next.
- The Snap Desk is available in a variety of shapes and sizes for space saving ergonomics. Height adjustable legs (22" to 32" in 1" increments) allows even more flexibility.
- 1.25" top with tubular steel leg available in black or platinum with chrome insert.
- Choose from a variety of standard HPL laminate colors and T-mold edge band options to match your table leg. Or customize your table. See www.moorecoinc.com/custom for more information.
- Optional set of two casters adds easy mobility without impairing maneuverability. Optional book box provides under desk storage. Optional pack hook mounts easily for up to 50 lbs. of hanging storage.
- Optional ganging device allows you to join your table configurations with ease. Durable rubber construction gives plenty of flexibility while keeping your tables securely joined together. Includes set of two plus hardware.
- TAA compliant. Has achieved GREENGUARD Gold Certification.
