Precision Touchpad

The Precision Touchpad[1] enhances the accuracy and performance of touchpad navigation. The seamless gesture recognition technology distinguishes between intentional finger gestures and accidental contact with the palm or hand. Fewer mistakes mean you can tap, swipe, scroll, and zoom more easily than ever.

Touch and go

Use the touchscreen for easy, convenient access to apps, photos, music and more. Easy to zoom into web pages or flick through photos on a clear HD display.

acer

10.1'' HD display with IPS[1]

IPS[1] technology delivers an expanded viewing angle so that users will see the full detail and saturated colors from edge to edge.
