

**Energizing your body.  
Inspiring your mind.**

Have more than two monitors?  
Winston Workstation is the only  
sit-stand that accommodates three  
and four monitors allowing users  
the health benefits of increased  
standing and the productivity of  
multiple monitors.

Highly productive companies and  
power users will appreciate the  
increased productivity offered by  
using the triple or quad Winston  
Workstation. Easily turn any  
existing desk into a multi-monitor  
sit-stand workstation in minutes.

**FEATURES**

- Designed to accommodate standing work without the distraction of unwanted movement.
- Large surface and convenient storage tray allow you to bring all necessities with you when you stand.
- Retrofit your existing desk into a healthy workspace with three easy mounting options: freestanding, desk clamp or thru mount.
- Features a 17" range of vertical height adjustment and a locking cylinder to keep the workstation in place. No manual adjustment needed.
- Cable clips in the column and beam keep the cables organized and out of the way.
- Winston is assembled in the USA using components created through a green manufacturing process.
