HP L7016t 15.6-inch Retail Touch Monitor (V1X13A8)

Complete your retail solution with the HP L7016t Touch Monitor, a modern, virtually borderless, bright widescreen display that delivers easily readable information and supports interactive touch for associates when paired with an HP RP9 or any HP Retail System.

Wide aspect for a wide range of apps
Deploy a large, 15.6-inch diagonal, 16:9 aspect ratio, high-resolution display optimized for the latest retail and hospitality software.

Easy interactivity
Integrated projective capacitive touch technology provides a familiar, intuitive experience similar to smartphone and tablet devices and supports ten-point and Beep-on-Touch.

Durability for high-traffic areas
Place the sleek, sturdy display where you need it with a VESA mount[1] that enables positioning on a stand or wall.[3] The narrow-bezel glass is dust-resistant and easy to clean.
