

Turnkey Touchscreen Digital Signage Solutions

TouchPlus+™ College Campus

- **The Reliable** and efficient solution for sharing campus information.
- **Enhances** ability to access on-demand class times and events.
- **Improves** how you share messages, bulletins, and news.
- **Easy** content updates and management using your iPhone.

Specially Made For Colleges, Universities, & Local Technical Institutions

This all-in-one solution will enable you to effortlessly reach your students, staff, and visitors with essential announcements, searchable class and event schedules, touchscreen directory listings, emergency announcements and more.

You can place this college campus touchscreen digital signage solution throughout your college campus, dining and event halls, administrative buildings, libraries, student housing, cafeterias, building entrances and other high traffic locations.

Engaging and Immersive

You can add a series of touchscreen feature buttons to the interface enabling users to navigate through multiple pages of informative content and media. Choose from over 30+ touchscreen feature buttons, pinch and zoom media gallery's, plus an unlimited combination of distinctive college communication media zones that can feature;

- Scrolling tickers of campus news, NCAA scores, weather, and more
- Multi-language support with an automatic translator
- Promote seminars, alumni events and campus related happenings
- Highlight student achievements and staff contributions
- Spotlight alumni donor recognition and encourage new donations
- Interactive Screen Savers with Custom Welcomes Messages
- 'You Are Here' Campus Building Map
- Emergency Alerts and Notifications (RAVE)

"These are the most intuitive and logical digital signage solutions available on the market today."

We are able to manage content and live feeds efficiently and effectively. These digital signs replaced the old static vinyl posters and created a "wow" factor"

- Doug T

"I couldn't believe all these amazing features came built in standard. No add-on a La Carte' pricing, no extra charges"

I told them what I wanted and they designed a beautiful, easy to manage solution that simply exceeded my expectations! What a great experience!"

- Kelly M

TouchPlus+™ College Campus

“Your design team went above and beyond! They did a great job incorporating our branding requirements, colors, company videos, and images.”

The final product met our exact needs – a superb layout with beautiful custom graphics.”

- Natalie Z

Your Campus Events and Class Listings

We will incorporate your Campus Management software with every digital display. This enables for automated real-time updates of all calendar events. When your internal software updates the listings on the digital sign will. Software we integrate with include:

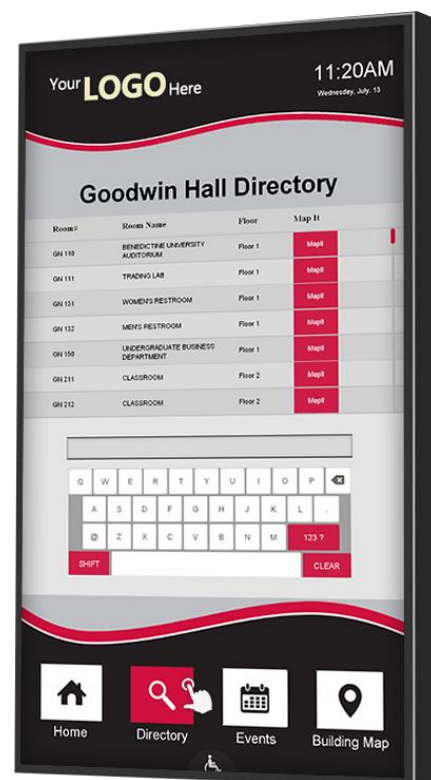

- **25Live / CollegeNet:** schedules, programs, class times, e-calendars
- **EMS:** meeting times, classroom schedules, and event listing
- **Sales Pro:** event and conference schedules, class times, & directory listings.
- **Micros Opera:** event schedules and POS sale listings
- **Active Directory:** directory listings
- **HTML:** website feeds

Professionally Designed For You

You will receive an out-of-the-box ready to use solution. It ships preloaded with your custom visual communications content, software, and media player. Tell us the features you need then we'll custom develop, test and set up everything for you.

“The slick, modern design of the has never failed to impress our guests of the solution. We have had many compliments. Thank you!”

- Sandra S

Feature FAQ

Limit to a number of features I can select?

You can choose as many features as you need. Pricing remains the same regardless of the number of features you select.

How does my logo, branding, and company information get added to the content?

When placing your order let us know the features you would like, provide your logo and other branding requirements. Our design team will creatively incorporate everything.

Do I get to see and approve content before receiving solution?

At each step of content creation your review, feedback, and approval are required. Once approved your order ships fully configured for immediate out-of-the-box use.
