

Turnkey Touchscreen Digital Signage Solutions

TouchPlus+™ Custom Digital Signage

- **The Preferred** option for all-in-one touchscreen digital signage.
- **For Unique** and special request touchscreen projects.
- **Flexible** design options with powerful data integration's.
- **Easy** content updates and management using your iPhone!

Specially Made For Touchscreen Digital Signage

With the TouchPlus+™ advanced digital signage technology meets beautifully designed content to keep you ahead of the curve without having to learn anything new. You can choose from over 30+ interactive feature buttons, pinch & zoom media zones for images, announcements, directory listing, sales, plus robust 3rd party data integration's that will help you automate the entire process of content management.

Advance Your Customers Shopping Experiences

Engagement builds customer confidence and brand loyalty. With the TouchPlus+™ you can add a series of touchscreen feature buttons to the displays layout enabling users to navigate through multiple pages of informative content and media.

- Interactive surveys to gain feedback
- Add FAQ button with on-demand information
- Built-in touchscreen keyboard
- Promote on-site amenities and services
- Pinch & zoom image galleries
- Multi-language support
- Meets ADA Requirements

Professionally Designed For You

You will receive an out-of-the-box ready to use solution. It ships preloaded with your custom visual communications content, software, and media player. Tell us the features you need then we'll custom develop, test and set up everything for you.

"These are the most intuitive and logical digital signage solutions available on the market today."

"We are able to manage content and live feeds efficiently and effectively. These digital signs replaced the old static vinyl posters and created a "wow" factor"

- Doug T

"Your design team went above and beyond! They did a great job incorporating our branding requirements, colors, company videos, and images."

"The final product met our exact needs – a superb layout with beautiful custom graphics."

- Natalie Z

Feature FAQ

Limit to a number of features I can select?

You can choose as many features as you need. Pricing remains the same regardless of the number of features you select.

How does my logo, branding, and company information get added to the content?

When placing your order let us know the features you would like, provide your logo and other branding requirements. Our design team will creatively incorporate everything.

Do I get to see and approve content before receiving solution?

At each step of content creation your review, feedback, and approval are required. Once approved your order ships fully configured for immediate out-of-the-box use.
