

AdSlide™ Informational Digital Signage

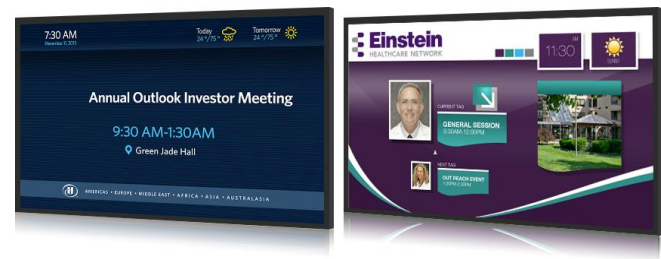

- **Dependable** solution for improving productivity & communications.
- **Creates** environment that staff feels valued and part of the team.
- **Helps** you easily share information and welcome your guests.
- **Easy** content updates and management using your iPhone!

Specially Made For Improving Communications & Sharing Information

This all-in-one digital signage solution will help you seamlessly blend your organization's most important day to day messages, performance charts and graphs, news, bulletins from the president, and other important notifications into a compelling easy to manage, all-in-one visual communications solution.

You can choose from over 17+ immersive features plus an unlimited combination of distinctive communication features, popular selections include:

- Your companies goals & mission
- Company News and updates
- Videos and image gallery
- Charts and sales forecasts
- Scrolling news and stock tickers
- Emergency alerts and lockdowns
- Advertisements and promotions
- Employee of the month

Automated Events Calendar

We will integrate your Outlook Calendar for automated event listings. When your calendar schedule updates in Outlook so will the events on the digital sign.

Professionally Designed For You

You will receive an out-of-the-box ready to use solution. It ships preloaded with your custom content, software, and media player. Tell us the features you need then we'll custom develop, test and set up everything for you.

"These are the most intuitive and logical digital signage solutions available on the market today."

"We are able to manage content and live feeds efficiently and effectively. These digital signs replaced the old static vinyl posters and created a "wow" factor"

- Doug T

"Your design team went above and beyond! They did a great job incorporating our branding requirements, colors, company videos, and images."

"The final product met our exact needs – a superb layout with beautiful custom graphics."

- Natalie Z

AdSlide™ Informational Digital Signage

"I couldn't believe all these amazing features came built in standard. No add-on a La Carte' pricing, no extra charges.

I told them what I wanted and they designed a beautiful, easy to manage solution that simply exceeded my expectations! What a great experience!"

- Kelly M

Feature FAQ

Limit to a number of features I can select?

You can choose as many features as you need. Pricing remains the same regardless of the number of features you select.

How does my logo, branding, and company information get added to the content?

When placing your order let us know the features you would like, provide your logo and other branding requirements. Our design team will creatively incorporate everything.

Do I get to see and approve content before receiving solution?

At each step of content creation your review, feedback, and approval are required. Once approved your order ships fully configured for immediate out-of-the-box use.
