

Secret Screen Protection

For Microsoft Surface Pro3

Description:

Protect your datas from intrusive looks!

Whenever it is while travelling for business reasons, in the train, or plane, or simply in open spaces in suppliers' or clients' offices, protect your datas in any circumstance with this secret screen protection.

It ensures that datas displayed on-screen remain confidential. The data displayed is clearly visible to the person using the computer. But anyone sitting next, viewing the screen from the side can only see a black screen.

Non-vision angle: about 30°
