

# MAX Extreme Shell

Solid protection for wherever today's adventures take you.

## KEY FEATURES

- Exclusively designed for use with the iPad Pro 9 and 12
- Custom molded, lightweight design offers unrivaled shock absorbing protection around all sides and all corners
- Outer shell easily integrates with Apple Smart Keyboard
- When used with the Apple Smart Keyboard, the keyboard acts as a front cover/screen protector and as a stand (keyboard not included)
- Clear back panel allows for easy viewing to asset tags, bar codes and engravings
- Easy accessibility to microphone, speaker and charging ports
- Custom colors available (minimum quantities apply)
