

LOW PROFILE TILT VDM SERIES DISPLAY MOUNT WITH 600 VESA

VDM-600-T-LP. |

FEATURES & BENEFITS

We recognize that there is a lot of crossover between the Middle Atlantic and Chief product lines, spanning a few categories. With this in mind, Middle Atlantic will begin to phase out these display mounts and AV storage solutions from now and into 2019. Middle Atlantic's goal is to make this process as seamless as possible to our partners. If you have further questions, concerns or needs, please contact 973-839-1011.

- Post-install leveling mechanism enables quick micro-adjustment of horizontal plane of display
- Safety locking features keep the display securely mounted
- Maximum VESA: 600x400mm
- Recommended display size: 40" – 70"
- Weight Capacity: 100 lbs.
- Open wall plate design maximizes accessibility to connections and cable pass-through behind the display
- Kick stand included for additional space between the mount and wall for ease of installation and servicing
- Tool-free adjustment of tilt enables efficient installation and servicing
- Up to 15 degrees of limitless tilt enables optimal display viewing for end user
- Certified to UL 2442 for safe, reliable installs
