

## MiniStation™ HD-PCFU3-D

## EASY TO USE PORTABLE USB 3.0 HARD DRIVE

MiniStation offers high speed USB 3.0 portable storage in a compact and lightweight chassis. With bus-powered USB 3.0 support and backward compatibility with USB 2.0, it works with nearly any PC or Mac® and offers quick plug-and-play setup.

MiniStation is easy to transport and it's USB powered so there are no additional cables to manage and no need for a separate power source; simply plug it into any available USB port on your computer and instantly add capacity or store files to take on the road. Included with MiniStation is Buffalo's multipurpose Buffalo Tools utility suite designed to enhance Windows® PC performance and user experience, including TurboPC for faster transfers. Additionally, you can use MiniStation with Buffalo Backup Utility, free with purchase, or Time Machine to back up your important information and memories. Store, back up and transport your content with SuperSpeed connectivity.technical support. We can help with questions during installation or any time you need us.

### COMPACT & CONVENIENT

MiniStation™ HD-PCFU3-D features Super-Speed USB 3.0 with interface speeds up to 5 Gbps and is fully backward compatible with USB 2.0. Simply plug it into any available USB port on your computer and instantly add capacity or store files to take on the road. The preformatted hard drive requires no driver or software installation and is ready for immediate use.

### USB 3.0 / 2.0 COMPATIBILITY

Designed for mobility, MiniStation occupies minimal space and offers USB 3.0 bus-powered mobile storage for your data and for your on-the-go lifestyle. It works with PC and Mac, so you can access your files from whichever computer you are on, even while on the go.

## AT BUFFALO, WE'RE ALWAYS ON

We're working hard at Buffalo to make technology painless for customers. That starts with designing products that are reliable and easy to deploy. Our 24/7 US-based support experts can help de-mystify technology and select the solutions that are right for your business. We're also available to resolve questions that may come up during installation or once the solution has been implemented. Our goal is to make things easier for you and to help you be successful — give us a call!

PERFECT FOR ON-THE-GO!
