AMRCT100

Sit-Stand Integrated Desk Workstation with keyboard Tray

Sit-Stand Desk Mount System AMRCT100 allows for ergonomic movement throughout the day. With its adjustable height this product is compatible with laptops, flat panel monitors, and even has enough room for adding a keyboard and mouse, (on either side), for all-in-one solutions (AIO PC). Now users can work sitting or standing with no interruption or extra installation.

Everyone agrees; home users, office workers, and IT professionals can all benefit from this Sit-Stand Workstation. Take advantage of Amer's offer for true wellness and productivity!

Features:

1. Up to 485 mm (19.09") of smooth vertical adjustment.
2. User-friendly torque adjust is available for both the display and spring tension.
