DESCRIPTION

Set your monitor at an ergonomically correct height and maximize desk space with the height-adjustable riser stand from V7. This stand features a contemporary design with stacking columns, letting you choose the ideal height for your monitor. With ample clearance between the stacking columns, this stand provides plenty of room to fit a small laptop or supplies beneath. A non-skid column base and 10kg/22lbs of support help to ensure your monitor or other electronic devices rest securely while you work. It also features cable management that keeps cords in place, and convenient slots on the front and sides to hold pens and other accessories.
