Shipping

Ships fully assembled, ready to install devices.

Certifications

Designed for the Future

Simultaneously charge AC and USB devices in the same cart, when the MiX Module is upgraded to a Mobility MiX Module (HKWH2).

Pre-Installed Cables

Cord management becomes a breeze, with the pre-installed Lightning Cables, eliminating time consuming and costly setup time.

Organization

Adjustable slot numbering bars allow for device organization, and are pre-numbered to easy slot re-configuration.

Auxiliary Cable

Up to 2A of power accessible through the cord pass-through, perfect to power a notebook, wireless access point or small accessory.

Safe

From top to bottom, the entire cart is been listed to UL 60950-1 to ensure safe operation.

Full-Rate Charging

PowerSync MiX delivers full-rate 2.4A charging, even while syncing, for up to 30 iPad devices.

Standard Color

Platinum

Adjustable

Adjustable dividers allow users to customize the slot dimensions from 1" to 1.25" to 1.5" supporting various sizes of devices and cases.

All-Steel Construction

Cart is constructed from prime steel, which contains 25 to 35 percent post-consumer recycled content and is finished with powder coated paint.
