Finally, It's your Choice!

Versatile and practical, this collection blends in perfectly in any environment with its vast selection of shapes and a complete choice of Silver or Anthracite Grey bases.

Set the Table for More Freedom!

Whether your room is small or oversized, the QUORUM MULTICONFERENCE collection will adapt to your needs and to your tastes. Offered in several sizes, colors and shapes, the conference tables have a unique design. Indeed, the underside of the table surface is pre-drilled and the metal-on-metal hardware assembly with mechanical screws allows you to choose the base that most suits your needs among our wide selection. This ingenuity by Groupe Lacasse gives you complete freedom.

QUORUM MULTICONFERENCE: Multifunctional

Highly versatile, QUORUM MULTICONFERENCE doesn't just furnish the conference room. Our collection of height adjustable tables is perfect to meet the specific needs of your team. The most demanding needs are met with our wide choice of available mechanisms – electrical, hand crank or incremental – plus fixed height tables.

The bases of our height adjustable tables come in two accent colors, Silver and Anthracite Grey. Both aesthetic and functional, these tables have no horizontal crossbar between the bases, allowing full clearance for knees and also creating more space for mobile pedestals for storage.
