

Connectivity (Wi-Fi / NFC, Bluetooth, Wi-Fi Button)

Simplify The Connection to Your Digital World

EOS 800D

Connect Station CS100

Wi-Fi / NFC

The EOS 800D and EOS 750D lets you effortlessly establish wireless connection with built-in Wi-Fi, while NFC function allows easy connection between camera and smart devices such as the Canon Connect Station CS100. Additionally, the EOS 800D is equipped with a dedicated Wi-Fi button for hassle-free connection at a single touch.

The EOS 800D can maintain constant connection to your smart device with its built-in Bluetooth® low energy technology, allowing you to switch to Wi-Fi connection easily to transfer or view images on the go.

CAMERA CONNECT

Designed for both iOS and Android™, the Camera Connect application easily lets you save and share images and videos. The app also uses your smart device as a monitor for remote shooting and playback of photos and movies.

Comparison Specifications

	EOS 800D	EOS 750D
Image Sensor	Approx. 24.2 MP APS-C CMOS sensor	
Image Processor	DIGIC 7	DIGIC 6
Viewfinder	Approx. 95%, 0.82x magnification	
AF Points	45 (All Cross-type)	19 (All cross-type, center Dual cross-type)
ISO Range	100-25600 (Expandable to 51200)	100-12800 (Expandable to 25600)
Metering	63-zone 7560-pixel RGB plus IR metering sensor	
Anti-flicker	Available	
Shutter Speed	1/4000 sec. to 30 sec.	
Continuous Shooting Speed	Max. approx. 6.0 shots/sec.	Max. approx. 5.0 shots/sec.
AF in Live View	Dual Pixel CMOS AF system	Hybrid CMOS AF III System
Creative Filter	Grainy B/W, Soft focus, Fish-eye effect, Art bold effect, Water painting effect, Toy camera effect, Miniature effect	
Movie Recording Format	MP4	
Movie Recording Size & Frame Rate	Full HD (1920x1080) : 59.94p / 50.00p / 29.97p / 25.00p/23.98p	Full HD (1920x1080) : 29.97p / 25.00p / 23.98p
	HD (1280x720) : 59.94p / 50.00p / 29.97p / 25.00p VGA (620x480) : 29.97p / 25.00p	
Built-in Microphones	Stereo	
LCD Monitor	Vari-angle 3.0 inch, 1.04 million dots TFT, Touch Panel	
Bluetooth	Available	Not Available
Built-in Flash	Retractable, auto pop-up flash	
Wi-Fi & NFC	Built-in	
Storage	SD / SDHC / SDXC Card	
Dimensions & Weight (W x H x D)	Approx. 131.0 x 99.9 x 76.2 mm	Approx. 131.9 x 100.7 x 77.8 mm
	Approx. 485 g (Body only)	Approx. 510 g (Body only)

Max **45 AF** *Autofocus*
Simplify Your Focus

Nothing escapes the superior 45-point all cross-type AF system of the EOS 800D. With 45 AF points spread densely across the frame, expect fast tracking of your subjects with exceptional precision. Together with Colour Detection AF that analyzes skin tones and prioritizes focus on people, shooting portrait has never been easier.

Movie Recording

Cinematic Mastery at its Best

Express your artistic flair and record Full HD videos with your EOS 800D or EOS 750D. Produce professional-looking videos with HDR Movie feature and time-lapse movie function. The EOS 800D also includes Movie digital IS to prevent camera shakes when shooting hand-held movies.

Dual Pixel CMOS AF

Dual Pixel CMOS AF **World's Fastest AF Focusing Speed of 0.03sec.***

Each effective pixel is comprised of two photodiodes.

Touch AF

The EOS 800D is the first camera in its class to inherit Dual Pixel CMOS AF (DAF), usually reserved for more advanced models. It provides fast and intuitive autofocus and tracking during Live View shooting. With DAF, video shooting is a breeze with precise, reliable focus tracking and smooth, seamless focus switching. When paired with Canon's range of STM lenses, expect swifter and quieter autofocus operations for videos without the jerkiness and focusing noise. With a comprehensive list of STM lenses to choose from, let your creativity shine through with stunning photos and videos.

EF & EF-S MOUNTS

Image Quality

Quality that is Simply Stunning

Witness the full glory of the 24.2 Megapixels CMOS sensor with photos and videos of amazing details and rich colours. The EOS 800D's latest DIGIC 7 imaging processor improves performance and enhances light sensitivity, allowing you to capture great images even in dimly-lit situations.

New Interface

A Simple User Interface for Enjoying Photography

The EOS 800D spots a new UI with photos, graphics and explanations to help you familiarize and better understand the effects of each shooting modes. If you prefer the traditional UI, simply switch over at a touch of the screen.

Settings / Modes

Expand Your Creative Power

Let the cameras optimize the best settings for diverse situations with Special Scene Modes such as Kids, Food, Night Portrait and Handheld Night Scene. The EOS 800D features a new Group Photo mode for capturing beautiful group photos in all your memorable events.

In-Camera Processing / Tilt Correction

Present Your Photos the Way You Intended it

In-camera image processing allows you to resize and crop your photos to achieve your desired frame size, aspect ratio and positioning. EOS 800D with a newly added Tilt Correction can now tilt and trim images, especially those with a horizon, to bring out the best results.
