

Lenovo™ ThinkPad X270

PORTABILITY MEETS PERFORMANCE

Delivering a powerful performance in a durable, ultralight design – ThinkPad X270 keeps you productive, mobile, connected.

Power, performance, and durability, that's what you get from the ThinkPad X270. Thanks to an all-day battery and 7th generation Intel® Core™ processing, plus plenty of storage and memory. With a secure touch fingerprint reader, advanced facial recognition, and the legendary ThinkPad support, the ultralight X270 is destined to give your business the edge.

WHY YOU SHOULD BUY THE LENOVO™ THINKPAD X270

Performance You Can Count On

With the responsive, and efficiency of 7th generation Intel® Core™ processors, you can switch effortlessly between your favorite apps – increasing your productivity and enjoyment.

User-Friendly, Business-Friendly

Easy to set up and roll out, the X270 is quick to service, upgrade, and secure. From an everyday user to an IT technician, these business laptops make work (and life) easier for everyone.

Less Really is More

Available with Microsoft Windows 10 Pro Signature Edition, you can say goodbye to unwanted trial ware, apps, or distractions. Hello to a faster laptop, from start up to shut down.

Forgotten Password? Don't Sweat It, Just Touch Your Finger

With Windows Hello's Biometric fingerprint technology, there's no need to remember a password. Simply touch the fingerprint scanner to log in, quickly and securely.

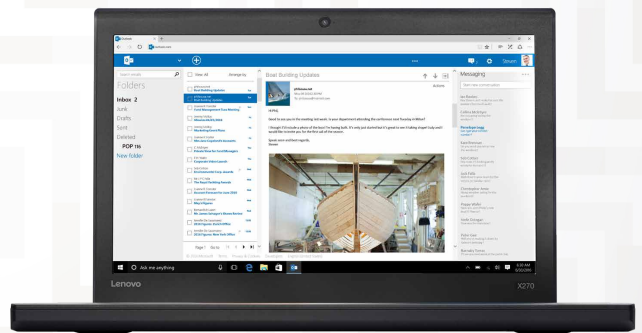

Make Light Work of Long Days

With its two batteries and Power Bridge technology, the X270 gives up to 21 hours of power on a single charge. More than enough to get you through the day or binge-watch your favorite show.

On-the-Go Productivity and Entertainment

Weighing from just 2.79lbs / 1.27kg the X270 gives you portability and performance. Ideal for working on the go or kicking back to enjoy a movie.

WHO NEEDS THE LENOVO™ THINKPAD X270?

- 1 | Users who are less discerning about devices and technology, who just want the shortest, reliable route to getting the job done.
- 2 | Professionals who see technology neutrally, but are aware that it helps boost their efficiency and connectivity – and will choose devices according to peer recommendation.
- 3 | Highly mobile users who regularly work out of office, relying on cloud services and portable devices to simplify productivity – and get the job done.

RECOMMENDED SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your investment. Succeed with substance and let Lenovo Service support you all the way.

PRIORITY TECHNICAL SUPPORT

Makes your priority, our priority. 24 x 7 priority call routing to advanced-level technicians, electronic incident tracking, and escalation management services.

WARRANTY UPGRADES—ON-SITE AND NEXT BUSINESS DAY

Maximizes PC uptime and productivity by providing convenient and fast repair service at your place of business.

WARRANTY EXTENSIONS (1-3 YEARS TOTAL DURATION)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and lower the cost of ownership over time.

ACCIDENTAL DAMAGE PROTECTION

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind of knowing that your valuable data is secure.

ASSET TAGGING

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.

OPTIONS & ACCESSORIES

ThinkPad USB-C Dock

ThinkPad Professional Backpack

Microsaver DS Cable Lock

Lenovo 65W Travel AC Adapter
