THE WORLD'S SMALLEST WORKSTATION, EMPOWERING YOU FOR GREAT THINGS.

Engineered to go where others can't, the ThinkStation®
P320 Tiny combines simple and efficient design with
the professional power of a workstation. Pushing the
envelope, this ISV-certified workstation packs 7th Gen
Intel® processors and NVIDIA® Quadro® professional
graphics inside and provides up to 2TB of PCIe storage
and 32GB of memory. Able to support six independent
displays, this Tiny system is ideal for the demands
of architecture and engineering, financial services,
healthcare, STEM education, and any other area where
powerful ideas are brought to life.

RECOMMENDED SERVICES

Lenovo™ offers a comprehensive portfolio of services to support and protect your ThinkStation® investment—so you can focus on your business, not your IT.
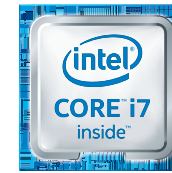

Premier Support
Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems.

Warranty Upgrades—Onsite and Next Business Day
Maximizes PC uptime and productivity by providing convenient, fast repair service the next business day.

Warranty Extensions (1 to 4 years total duration)
This fixed-term, fixed-cost service helps you accurately budget for PC expenses, protect your valuable investment, and potentially lower the cost of ownership over time.

Powered by Intel®
Core™ i7 processors.
Intel Inside®. Powerful
Productivity Outside.
