It's no surprise that hackers are looming around nearly every inch of the Internet. One easy target? Your webcam. Protect yourself with the Targus Spy Guard Webcam Cover. Even the FBI recommends covering your laptop webcam.* Once attached, it'll securely stay in place. It easily slides open and closed so that it's a breeze to access your webcam whenever you're prepping for a video conference or virtual hangout. It couldn't be easier to block hackers.

*Blue, Violet. "The FBI recommends you cover your laptop's webcam for good reason." Engadget. 23 September 2016.
