## MAGNETIC DRIVE BLENDER WITH MAGNETIC SLIDE-IN PITCHER?

The revolutionary magnetic drive technology replaces a coupler system, so there is less wear and tear. No coupler to wear out or to align to as the pitcher slides-in easily on the base. The pitcher and the base contain magnets.

## STANDARD ACCESSORIES

### 1.8 L One-piece pitcher

5KSBSPJ

The large BPA-free pitcher with patented diamond design and stainless steel blades features a comfortable, soft-grip handle and BPA-free tight-sealed lid with 90 ml ingredient cup.

Dishwasher-safe.

### Add as you blend top ingredient feed funnel

Add ingredients through the top ingredient feed, with a dishwasher-safe 60 ml measuring cup, whilst blending controls the blending level and consistency.

## EXTRA FEATURES DESCRIPTIONS

### Easy user selection dial

With pulse function, variable speed, and 4 pre-set recipe programs with automatic shut off.

### Magnetic drive system

The revolutionary magnetic Drive Technology with slide-in pitcher, and easy pitcher release lever, replaces a coupler system, so there is less wear and tear. The pitcher and the base contain magnets.

### Diamond blending system

With diamond shape slide-in pitcher and stainless steel blades creates a powerful vortex for fast and thorough blending.
