Compact Refrigerators

Royal Sovereign offers a variety of compact refrigerators to keep food fresh and beverages cold where space is at a premium, whether at home, school or work. Models range in size from 1.6 cubic feet of storage capacity to 10 cubic feet. The smallest is ideal for countertop use and is easily portable. The next size up fits perfectly under counters or desks. All have flat backs to make them even easier to fit in small spaces.

Both will dispense both hot and cold water and use standard 3 and 5 gallon water bottles. The user selectable energy saving function for hot water provides the option, when not in use, to keep the water at a minimum 50°C (122°F). Simply press the 'Hot Water' button to provide steaming hot water within 4 minutes when needed.
