

Heavy-Duty Pivoting Panel

Swing-down panel
is designed for
easy punchdowns.

FEATURES

- » Holds up to 60 pounds (27.2 kg) and 8U of equipment.
- » Constructed of durable 11-gauge steel.
- » Easy tilt-forward design.
- » Panel pivots for extra strength.
- » Built-in tie points simplify cable management.

OVERVIEW

Count on the innovative design of this wallmount pivoting panel for the easiest rear access to your patch panels. Just tilt the panel forward when you need to punch down cables. Built-in tie points along with hook-and-loop cable fasteners give you the efficient cable management you need. Nothing's easier!

The panel includes rack screws and cable tie loops.

NOTE: The patch panel in the photo is not included.

Technically Speaking

Rack Units.

A Rack Unit is abbreviated as U. One Rack Unit (1U) is equal to 1.75" (4.44 cm).
