

# HP EliteBook 840 G4 Notebook PC

Elevate your business with an ultrathin, professional laptop that empowers users to perform at their very best. Enterprise-class features, comprehensive security, and a refined collaboration experience handle even the most demanding tasks with streamlined efficiency.

HP recommends Windows 10 Pro.

## Security inside and out

Get end-to-end protection from HP's most secure and manageable PCs. The optional HP Sure View integrated privacy screen<sup>2</sup> keeps visual hackers in the dark with the touch of a button while HP Sure Start Gen3<sup>3</sup> protects against BIOS attacks.

## High performance, high portability

Speed up demanding business applications and data. Combine high-performance and long battery life with 7th Gen Intel® Core™ processors<sup>4</sup>, and PCIe Gen3 solid state drives<sup>5</sup>. Amplify performance with up to 32 GB of DDR4 memory and dual storage options<sup>5</sup>.

## Thin design, no adapters needed

Give portability a whole new meaning with an ultrathin design that doesn't cut corners. Starting at an incredible 18.9mm, the HP EliteBook 840 includes several full-size ports like VGA, DisplayPort™, RJ-45, and enterprise docking.

## See and hear them clearly

Give your online collaboration the sharpness and clarity of a face-to-face meeting with HP Audio Boost, HP Noise Cancellation software, Audio by Bang & Olufsen, and an optional 720p webcam<sup>5</sup>.

- Power through your day with Windows 10 Pro<sup>1</sup> and the powerful, sleek, thin, and light HP EliteBook 840.
- HP Sure Start Gen3<sup>3</sup> monitors in-memory BIOS, recovers the platform without intervention, restores the BIOS to a custom state, and is enterprise ready for centralized management.
- Improve the quality and security of custom Windows images with HP Image Assistant which assists ITDMs with image creation, identifies problems, and provides recommendations and remediation.
- Deploy the HP Manageability Integration Kit<sup>6</sup> to help speed up image creation and the management of hardware, BIOS, and security when managing devices through Microsoft SCCM.
- Get up to 50% battery life in just 30 minutes of charging<sup>7</sup> with an HP fast charging battery.
- HP Audio Boost balances loudness and clarity, and enhances bass for improved speech quality.
- Optimize your storage with latest high-performing storage options from HP<sup>5</sup>.

For details, visit <a href="http://www.hp.com/go/cpc">www.hp.com/go/cpc</a> . HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

## HP EliteBook 840 G4 Notebook PC

### Accessories and services (not included)

---

#### HP UltraSlim Docking Station

Designed exclusively for ultraslim HP EliteBook Notebook PCs, the HP UltraSlim Docking Station expands display, network, and device connectivity so you can be more productive throughout the day—all through a simple one-click slide-in side dock.

**Product number: D9Y32AA**

---

#### HP 65W Slim AC Adapter

Be productive with the HP Slim 65W Combo Adapter, which can power your HP Business Notebook or Ultrabook™.

**Product number: H6Y82AA**

---

#### HP Conferencing Keyboard

Drive your Microsoft Lync voice and video calls directly from your HP Conferencing Keyboard and connect, disconnect, and manage your calls and videoconferencing settings with simple dedicated keys¹.

**Product number: K8P74AA**

---

#### HP 15.6 Executive Black Top Load

Protect your bag's contents while you're on the move with the black HP Executive Top Load, which has a lockable, double-teeth zippered notebook compartment, secure RFID pocket to safeguard your ID, and a discrete pocket for an optional tracking device.¹

**Product number: P6N18AA**

---

#### HP Hot Desk Stand

Redefine workspace design with the HP Hot Desk Stand, a ready-to-go touchdown station that supports a monitor and plug-and-play dock, enhances productivity, and provides a clean and comfortable workspace for your mobile and flexible workforce at an affordable price.

**Product number: W3Z73AA**

---

#### HP Hot Desk 2nd Monitor Arm

Be even more efficient when you add a second display up to 32" diagonal to your HP Hot Desk solution with the HP Hot Desk 2nd Monitor Arm.

**Product number: W3Z74AA**

---

## Messaging Footnotes

<sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.

<sup>2</sup> HP Sure View integrated privacy screen is an optional feature that must be configured at purchase.

<sup>3</sup> Available on HP EliteBook and HP EliteDesk products equipped with Intel® and AMD 7th generation processors/APUs.

<sup>4</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

<sup>5</sup> Sold separately or as an optional feature.

<sup>6</sup> HP Manageability Integration Kit can be downloaded from <http://www8.hp.com/us/en/ads/clientmanagement/overview.html>.

<sup>7</sup> Recharges your battery up to 50% within 30 minutes when the system is off or in standby mode. Power adapter with a minimum capacity of 65 watts is required. After charging has reached 50% capacity, charging will return to normal. Charging time may vary +/-10% due to System tolerance.

## Technical Specifications Footnotes

<sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.

<sup>2</sup> Planned to be available first quarter 2017.

<sup>3</sup> Sold separately or as an optional feature.

<sup>4</sup> WiFi is optional. Wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.

<sup>5</sup> WWAN module is optional and requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions.

<sup>6</sup> HD content required to view HD images.

<sup>7</sup> Internet access required.

<sup>8</sup> Available only on business PCs with HP BIOS.

<sup>9</sup> vPro™ is not available on Intel i3-7100U, i5-7200U, or i7-7500U processors.

<sup>10</sup> For the methods outlined in the National Institute of Standards and Technology Special Publication 800-88.

<sup>11</sup> For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30GB of system disk is reserved for system recovery software.

<sup>12</sup> HP Mobile Connect Pro is only available on preconfigured devices with WWAN. For geographic availability refer to [www.hp.com/go/mobileconnect](http://www.hp.com/go/mobileconnect)

<sup>13</sup> NFC is optional.

<sup>14</sup> HP ePrint Driver requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see [www.hp.com/go/eprintcenter](http://www.hp.com/go/eprintcenter)).

<sup>15</sup> Skype is not offered in China.

<sup>16</sup> HP MIK is not preinstalled, coming soon at <http://www.hp.com/go/clientmanagement>

<sup>17</sup> LANDESK Management subscription required.

<sup>19</sup> Absolute agent is shipped turned off, and will be activated when customers activate a purchased subscription. Subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. The Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: <http://www.absolute.com/company/legal/agreements/computrace-agreement>. Data Delete is an optional service provided by Absolute Software. If utilized, the Recovery Guarantee is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either obtain a PIN or purchase one or more RSA SecurID tokens from Absolute Software.

<sup>20</sup> Opt in and internet connection required for updates.

<sup>21</sup> Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

<sup>22</sup> Windows 10/MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See [www.bapco.com](http://www.bapco.com) for additional details.

<sup>23</sup> HP Sure Start Gen 3 is available on HP EliteBook products equipped with Intel® 7th generation processors.

<sup>24</sup> HP Sure View integrated privacy screen is planned to be available first quarter 2017 and must be configured at purchase.

<sup>25</sup> HP Workwise app will soon be available as a free download on the App Store and Google Play.
