

## V7 23.8" Privacy Filter for Monitor - 16:9 Aspect Ratio

### PS23.8W9A2-2N

SKU: 2HR429

V7 Privacy Filters are an excellent choice for open, high-traffic environments or wherever you need enhanced data privacy. Screen data is visible only when viewed from directly in front of the display - without blurring or distortion.

The filter darkens the screen when viewed from indirect angles, hiding your screen from prying-eyes, plus the high-gloss finish brightens and sharpens contrast while providing additional protection for your LCD screen against dust, fingerprints, and scratches.

Simple to attach and use, V7 Privacy Filters are available in a variety of sizes to fit most PC laptop and desktop displays. Backed by a two-year warranty.

- V7 Privacy Filters block out the view from either side of your screen without blurring or distortion
- Filters keep confidential information private, - TAA Compliant
- Frameless - Aspect Ratio 16:9
- V7 Privacy Filters are reversible. The matte side reduces glare (anti-glare) while the shiny side improves clarity and color, plus Blue-light protection, Anti-bacterial film
- Also includes Microfiber Cleaning Cloth and Mounting Tabs.

#### General

SKU: 2HR429  
 Model: PS23.8W9A2-2N  
 UPC: 662919098464  
 Warranty: 2 years  
 Compliance: RoHS
