It's also compatible with Thunderbolt™ 3 ports.

## Clutter-free installation

At 1 m (3 ft.) in length, this adapter cable delivers a direct connection that eliminates excess adapters and cabling, ensuring a tidy and professional installation.

For longer installations, StarTech.com also offers a [2 m \(6 ft.\) USB-C to HDMI cable \(CDP2HD2MWNL\)](#) and a [3 m \(10 ft.\) USB-C to HDMI cable \(CDP2HD3MWNL\)](#), enabling you to choose the right cable length for your custom installation needs.

## **Astonishing picture quality**

At four times the resolution of high-definition 1080p, you'll be amazed at the picture quality of a 4K 60Hz monitor or television. This adapter cable lets you harness the video capabilities that are built into your USB Type-C connection, to deliver the astonishing quality of Ultra HD to your 4K display.

Plus, the adapter is still compatible with lower display resolutions, such as 1080p, which makes it a great accessory for your current home, office or other HD work environment, while future-proofing for 4K 60Hz implementation.
