Bucket

Drilling

No - Attaches to transmission hump

Weight

31.0 lbs. (14.06 kg)

Dimensions

Height: 11.5" (29.21 cm)

Width: 9.0" (22.86 cm)

Depth: 27.0" (68.58 cm)

Mounting space

Vertical angled section: 7.5" (19.1 cm)

Horizontal section: 6.5" (15.2 cm) with cup holder, 11" (27.9 cm) without cup holder

Features

- Heavy gauge steel, fully welded constructed for long-term durability.
- Black powdercoat finish for maximum corrosion resistance.
- Low profile, no-drill vehicle specific console box.
- Six (6) fasteners for mounting to transmission hump.
- A removable top and center plate for easy radio installation and wire routing.
- 12 Volt plug insert located on passenger side.
- Factory USB and audio jack must be relocated using item no. 16648 & 15082 or 16648 & 15083 if you want to use them.
- Four (4) 12 Volt knockouts located on passenger side.
- Computer can be mounted on top of the console box and be off-set towards the passenger on the "smiley face pattern" or mounted to the driver side with the 3-bolt hole pattern.
- **Horizontal, low profile section**
 - Accommodates a mounting space of 11" (27.9 cm) long to house radio control heads, full-sized devices and accessories. The included cup holder uses 4.5" (11.43 cm) of that space.
- **Vertical, angled section**
 - Accommodates 7.5" (19.1 cm) of mounting space to house 1 to 2 full-sized radios.
- 3 faceplate and 3 filler panels are included.
- Console box ships fully assembled (except for accessories).
- *Must order as is. There are no substitutions for accessories. Accessories may need to be assembled.*
- Limited lifetime warranty.

Notes

Will not work with the relocation cable kit (item no. 7120-0579)
