

AE-711

Time-Proven

The AE-711, AVID'S entry level headphone, is a staple of the core AVID line of products built for the education market. The AE-711 features a single 3.5mm plug for compatibility with virtually all electronic devices. The adjustable headband fits heads of all sizes.

Classroom Packs

For your convenience, AE-711 is available in classroom packs of 30. The headphones are protected during transportation and storage in a durable hard case.

Compliance

This product meets CPSIA and TPCH standards for environmental compliance and safety.
