

AE-808

Time-Proven

The AE-808, AVID'S lab headphone, is a time-proven full size design, with adjustable headband and leatherette earpads. The AE-808 model features a single 6.3mm plug compatible with lab desktops and a unique Volume Control solution. The adjustable headband fits virtually all head sizes.

Complete Lab Solution

The AE-808 headphones come with a padded headband for long wear comfort. The headphone also features AVID's signature braided nylon cord and Velcro tie for durability and convenient storage.

Classroom Packs

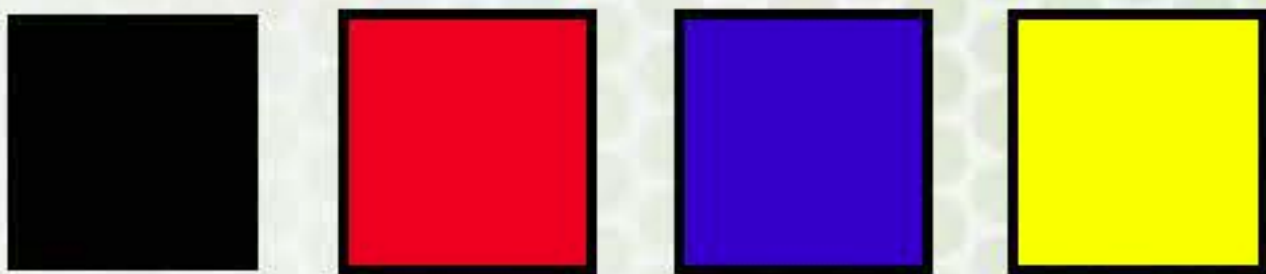

For your convenience, the AE-808 headphone is available in classroom packs of 12. The headphones are protected during transportation and storage in a durable hard case.

Compliance

This product meets CPSIA and TPCH standards for environmental compliance and safety.
