

## Dual Touch Adjust Monitor Mount

### DM1DTA-1N

SKU: 2GW316

Position dual monitors quickly and easily with the Dual Touch Adjust Monitor Desk Mount from V7. Made from high-quality aluminum and steel for durability, the mount can hold up to 32" (81.28cm) displays and 17 lbs (8 kg) on each arm. Featuring a cable management system to keep video and power cables neatly tucked away and out of sight, it's perfect for virtually any workstation. The height adjustment and independently adjustable arms enable multiple viewing angles, so you can position your monitors where it's most comfortable to use. Additionally, the mount has quick-release VESA plates to make installation easy and is backed by a 5-year warranty.

- Dual monitor mounting arms for up to 32" (81.28cm) displays
- Simply touch to adjust your monitors without tools
- Free tilt and 360° swivel design with height adjustable stand and arms for flexible viewing angles and better ergonomics
- Cable management system keeps cables out of the way or organized
- Quick-release VESA plate for easy installation
