

# Car Headrest Tablet Security Mount

for 7-14 Inch Tablets

## Car Headrest Tablet Security Mount

Your backseat passengers stay entertained with CTA Digital's Car Headrest Tablet Security Mount. The locking, slide-adjustable tablet holder protects your tablet from theft, making this tablet mount an excellent fit for limousines, cabs, service vehicles, and more. This holder installs easily to the base of your vehicle's headrest without tools, its scratch-protective rubber grips secured with tension screws. The holder tilts from side to side and rotates 360 degrees to accommodate portrait and landscape orientations. Also included is an optional steel security cable that anchors the tablet holder to any permanent fixture within your vehicle.

### Features:

- Padded tension grip attaches to metal supports at base of car seat headrest
- Powerful locking holder protects tablet from theft
- Holder tilts side to side and rotates 360 degrees for portrait and landscape orientations
