

Experience super convenient, truly uninterrupted printing and exceptional savings for up to one-year¹ using only the cartridges provided in-box.

- Reengineered ink cartridges and an internal ink storage tank help deliver more printed pages
- Replenish ink less frequently with Brother Super High-yield and Ultra High-yield replacement cartridges
- Print for less than \$0.01 per black page and less than \$0.05 per color page with INKvestment Tank Ultra High-Yield replacement cartridges²
- Print wirelessly from your desktop, laptop, smartphone and tablet^o
- No network setup needed for NFC one "touch to connect" mobile device printing and scanning
- Print-from and scan-to popular Cloud services directly from the 2.7" color touchscreen⁵
- Page Gauge³ estimates page count based on ISO standards or select actual average ink usage - so you can print with confidence

At your side support. Online, call or live chat - Brother provides FREE technical support for the life of your product. At Brother, we want to ensure that your experience with us is exceptional. Visit us at brother-usa.com where you can download the latest product

drivers and software, view product manuals, learn how to get the most out of your product with how-to videos and find answers to frequently asked questions.

Working with you for a better environment

At Brother, our green initiative is simple. We strive to take responsibility, act respectfully and try to make a positive difference to help build a society where sustainable development can be achieved. We call this approach Brother Earth, www.brotherearth.com

- 1 Based on average monthly print volumes of approximately 150 pages at 60% black pages / 40% color pages in accordance with
- ISO/IEC 24711 using 4 cartridges provided in-box. For more page yield information, see www.brother.com/pageyield.

 2 Based on MSRP of LC3035 black and color ink cartridges and approximate page yield in accordance with ISO/IEC 24711. For more page yield information, see www.brother.com/pageyield.
- 3 Page Gauge is an estimate for informational purposes only. For actual cartridge yield information refer to www.brother.com/pageyield. *ISO print speed based on ISO/IEC 24734 (after first set of ISO test pages). For more details, visit www.brother-usa.com.
- "ISO copy speed is based on ISO/IEC 24735. For more details, visit www.brother-usa.com
- *Resolutions are listed by vertical by horizontal dpi.

 Borderless not available on duplex. Minimum default margins .12" on all sides.
- Cables not included.
- A Black and white only. Based on ITU-test 1 Chart No.1 at standard resolution with MMR compression.
- 4 PC-Fax Send Only for Mac® users.

 5 Requires internet connection and an account with desired service.

- 6 Maximum number of printed pages per month and can be used to compare designed durability between like Brother products.
- o maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.

 7 The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond the range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.

 Additional purchase required.
- Approximate page yields in accordance with ISO 24711. For more page yield information see www.brother.com/pageyield.
- *See system requirements on www.brother.com

 The mobile device must have NFC capability and run Android OS 4.4 or later.
- Requires connection to a wireless network. The Brother iPrint&Scan free app download is not available in all countries
- Requires internet connection.
