Product Description

The ViewSonic® SW-095 is a 12-Month software license for NoviSign Online Studio that includes scheduling, reports dashboard, and training portal for 1 user per device.

NoviSign Online Studio is a cloud-based full design studio accessible from any computer, at any time. With no technical or design skills, you can easily create media-rich digital signage content, and manage digital signage campaigns. Built-in drag-and-drop widgets make it easy to create dynamic content such as vibrant slideshows, RSS feeds, scrolling text tickers, webpages, interactive polls, virtual queues, Facebook and Twitter feeds, YouTube streams, and much more! NoviSign Online Studio delivers everything you need for digital signage.
