

Lightweight. Heavyweight.

Ultralight Ultrabook™ that's all business.

Designed for globetrotting professionals, the ThinkPad® T460s combines functionality and portability without compromise. Sleek, light and tough enough to withstand the rigors of travel, this Ultrabook™ features a 6th Generation Intel® processor with vPro™ technology for impressive performance. Thanks to seamless connectivity with any network or device, the T460s lets you stay connected whether you're around the office or around the world.

WHY YOU SHOULD BUY THE LENOVO™ THINKPAD® T460s ULTRABOOK™

Easily expandable

The T460s lets you tackle the toughest tasks with up to 24 GB DDR4¹ memory. Plus automatic resume and flexible workspace without cable restriction. Up to 10x faster than WiFi, 4.6 Gbps transfer rate.

Durability for the road

Built for business travelers who demand productivity on-the-go, the T460s is designed to withstand a 500 cc water spill test.

Optimized for collaboration

For keeping in touch, the Microsoft Skype™ certified dual array VoIP system, systemcuts through ambient noise for crystal clear sound.

Enterprise-level security features

Fingerprint and Smart card readers with Trusted Platform Module (TPM) prevents unwanted access, so you can confidently take your ThinkPad® anywhere.

THE LENOVO™ THINKPAD® T460s ULTRABOOK™ IS BEST SUITED FOR

1 Anyone seeking a light and thin Ultrabook™ with all of the connectivity options Enterprise requires.

2 Mobile business professionals who want a feather-light yet high-performance Ultrabook™ that will keep them well-connected in the office or on the road.

3 Frequent business travelers concerned with portability, durability and maintaining high levels of enterprise security wherever they are.

RECOMMENDED SERVICES

Lenovo™ offers a comprehensive portfolio of services to support and protect your ThinkPad® investment. Succeed with substance and let Lenovo's Service support you all the way.

PRIORITY TECHNICAL SUPPORT³

Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking and escalation management services.

WARRANTY UPGRADES - ONSITE AND NEXT BUSINESS DAY

Maximizes PC uptime and productivity by providing convenient, fast repair service at your place of business.

WARRANTY EXTENSIONS (UP TO 5 YEARS TOTAL DURATION)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and lower the cost of ownership over time.

ACCIDENTAL DAMAGE PROTECTION³

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind to know that your valuable data is secure.

ASSET TAGGING

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.
