

Lenovo™ ThinkPad T470

BUSINESS READY, RIGHT OUT OF THE BOX

With the latest technology, rugged design and solid-state storage - the ThinkPad T470 combines power and durability for a performance you can count on.

With 7th generation Intel® Core™ processing, Microsoft Windows 10 Pro Signature Edition, and 18-hour battery life, the ThinkPad T470 is designed to enhance your productivity, anywhere. Easy to use, deploy, and service, this robust 14" laptop has a host of cutting-edge technology, including solid-state storage, secure touch fingerprint reader, and advanced facial recognition. All of this, plus the legendary ThinkPad reliability and support.

WHY YOU SHOULD BUY THE LENOVO™ THINKPAD T470

Performance You Can Count On

With the responsiveness and efficiency of 7th generation Intel® Core™ processors, switch effortlessly between your favorite apps - increasing your productivity, creativity, and entertainment.

Enjoy the Benefits of SSD

Quieter, more rugged and faster than a mechanical hard drive, the Solid-State Drive (SSD) has no moving parts - booting up nearly 3X quicker, opening files up to 30% faster.

Tested for Battle, Built for Success

ThinkPad laptops undergo 12 stringent MIL-SPEC tests and over 200 quality checks. So your T470 is more than capable of surviving the bumps and bruises of everyday life.

User-Friendly, Business-Friendly

Easy to set up and roll out, the T470 is also quick to service, upgrade, and secure. From everyday users to IT technicians, these business laptops make life easier for everyone.

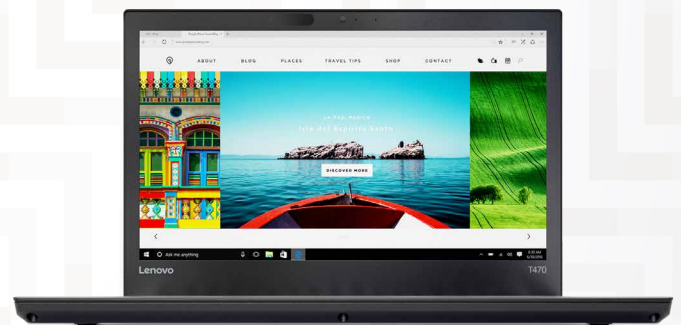

Less Really is More

With Microsoft Windows 10 Pro Signature Edition, you can say goodbye to unwanted trial ware, apps, or distractions. Say hello to a faster laptop.

Forgotten Password? Don't Sweat It, Just Smile

With Windows Hello's advanced facial recognition and fingerprint technology, there's no need for a password. Simply smile at the infrared camera or touch the fingerprint scanner to log in, quickly and securely.

WHO NEEDS THE LENOVO™ THINKPAD T470?

- 1** Tech savvy users who value technology for making day-to-day work easier - and like to have the most advanced devices.
- 2** Highly productive professionals who value the latest technology - combined with the reassurance of cutting-edge security to protect sensitive data.
- 3** On-the-go creatives, requiring desktop-standard performance in a highly durable laptop that can withstand the trials of working on the move.

RECOMMENDED SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your investment. Succeed with substance and let Lenovo Service support you all the way.

PRIORITY TECHNICAL SUPPORT

Makes your priority, our priority. 24 x 7 priority call routing to advanced-level technicians, electronic incident tracking, and escalation management services.

WARRANTY UPGRADES—ON-SITE AND NEXT BUSINESS DAY

Maximizes PC uptime and productivity by providing convenient and fast repair service at your place of business.

WARRANTY EXTENSIONS (1-3 YEARS TOTAL DURATION)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and lower the cost of ownership over time.

ACCIDENTAL DAMAGE PROTECTION

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind of knowing that your valuable data is secure.

ASSET TAGGING

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.
