Next-generation memory cards for next-generation performance. Verbatim's Pro II Plus microSDXC memory cards take advantage of the UHS-II interface to deliver next-level performance ideal for capturing 8K or 360° video. These cards keep up with even the most advanced users, using blazing-fast writing speeds of up to 255MB/s. Then get back to shooting in record time, using breakneck 295MB/s read speeds to transfer files in a flash. Additionally, microSDXC cards feature extended capacities, which means you can shoot longer without changing cards. Safeguard all that valuable work – these cards are water-resistant, shock-proof and temperature proof. Backed by a Limited Lifetime Warranty, Verbatim creates technology you can trust.
