

FOR 7/600/700 SERIES SCANNER & PHONE HOLDER

Perfect one handed solution for scanning!

Utilize one-handed scanning by carrying your scanner or reader connected to your mobile device in one hand. Simply click and snap in place and easily configure for right or left-handed usage.

- One-handed Operation - Carry your scanner/reader connected to your mobile device in one hand. Compatible with Socket Mobile 7/600/700 series Scanners
- Flexibility - Easily switch from connection to mobile to roaming with just the scanner/reader in hand.
- Compatibility - Fits most mobile phones - iPhone, iPod, Samsung Galaxy Series, HTC, LG, Huawei, etc.
- Side Protection - silicone pad protects your phone from scratches
- Adjustable Phone Clip - The phone holder bracket automatically adjusts to the width of your phone from 54mm to 78mm/2.2" to 3" in width
- Strong non slip rubber band - wraps around the Socket Mobile Barcode Scanners
- Configurable for right handed or left handed usage
- Easy Installation - No tools needed - snap phone into place and wrap scanner into place
- Warranty - 90 days
