The Vion™ family is not only design savvy, but is adaptable to any office or meeting room environment. Two back heights and five mechanisms are offered along with mesh and upholstered back varieties. With the inclusion of drafting stools, guest seating, counter height and bar height stools, as well as heavy duty models, the Vion family becomes an excellent choice for the modern office.

Vion, a better workday

Vion is no ordinary office chair. Designed by Zoey Chu, Vion's unique back provides exceptional comfort throughout the workday. Add the optional lumbar support and you just might never leave your workplace.

Vion's mesh backs are available in ten colors, offering a pleasing aesthetic. Two frame finishes are also available, standard Black and optional Fog. These colors coordinate with an infinite variety of textiles to suit every design direction. Fully upholstered models are also available, making Vion adaptable to any office interior.

Share a vision

Creating a sustainable workplace is a concern for many businesses. Vion is manufactured in an ISO 14001 facility and is backed by Global's Lifetime Warranty. Good environmental management is included with every Vion chair. Can you say win-win?

Seating with fixed arms shown in Allante, White. Mesh backs shown in Aqua.

Make it fit
