

EZW1330

Tilting Flat Panel Wall Mount Bracket for LCD,LED Monitors & Plasma TVs 13" to 32"

EZW1330 low-profile wall mount is made for most 13"-32" LED, LCD flat panel Monitors, TVs, and Touchscreens with a maximum weight of 18kg. The two-piece design allows easy installation. Tilt feature allows easy viewing angle adjustment of 12° up and 12° down, and Swivel rotation of +/-20°.

Durable construction for harsh environments: Strength of this mount as been tested at a safety factor over three times its stated load capacity. Built-in bubble level and safety lock screw included. It also has a Cable routine management system to lock down cables and wires to your desired input. VESA compatible with 75x75 and 100x100.
