

Ceiling Support Kit for 12 in. or 18 in. Cable Runway, Straight and 90-Degree

MODEL NUMBER: SRLCEILINGKIT

Easy-to-install support kit safely and securely creates a simple cable runway installation along the ceiling.

Features

Cable Ladder Ceiling Support Kit Secures Your Data Center's Runway System This lightweight SmartRack cable runway ceiling support kit creates a secure point of attachment from the ceiling of your server room or data center to a ladder section. It includes two brackets that connect to the ceiling and two brackets to support the cable runway. Threaded rods and appropriate fasteners are not included. The mounting surface must be able to support the combined equipment load safely. Be sure to use suitable mounting means when installing to cinder block, concrete, drywall or wooden studs. The innovative SRLCEILINGKIT is designed for use with Tripp Lite's SRCABLELADDER, SRCABLELADDER18, SRL90BEND12, SRL90BEND18 and other compatible 12-inch (305-millimeter) and 18-inch (457-millimeter) straight and 90-degree ladder sections.
